PROGRAMME CONTENTS

The wait is finally over.

We're back — and aiming to be better than ever.

Whether this is your first afternoon with us or you're a long-term member of the Pride, we're absolutely delighted to welcome you to Hayes Lane for our season-opening clash against Newcastle United.

There has been no shortage of change and transformation since we were last together.

We're here, in the London Borough of Bromley, rather than in Dartford at Princes Park. Jocelyn Prêcheur is new in town, joining from the mighty Paris Saint-Germain, and so are a host of new players and support staff.

That said, you'll also recognise many of the faces around Hayes Lane this afternoon.

Grace Neville, our cover star, and Lucy Fitzgerald, our all-time appearance leader, are back for record-setting sixth seasons in blue, having experienced a summer of firsts at the training ground and on-tour in Spain.

While today's matchday programme is shorter than we would like, I hope it contains the key information you are hoping to see.

In this edition of *Our City*, you will find details about ticketing, our season schedule, and a feature covering our favourite photos from the offseason.

Lastly, on behalf of everyone at London City Lionesses, I would like to offer a warm welcome to the fans, players, and staff of Newcastle United.

Enjoy the match — and make a tonne of noise for your London City Lionesses.

Our City. Our Time.

THOUGHTS OF A WING

Wing Chong, our official photographer, has been a member of the Pride for two seasons. With that in mind, we asked the Australian snapper to select and comment on five of her favourite pictures from her time with the team.

Sunday, 4 August 2024: Ipswich Town WFC

First in the new away kit and first on the road for pre-season 2024/25: it's always an exciting time to be back shooting with the club and to be around this energy again. It's especially fun to witness the new plays that have come about over summer.

Wednesday, 21 August 2024: Pre-season

Drills, play and go. On this occasion, Corinne and Charlène were challenging each other after the training session and I felt a mid-flight moment coming. What a fun way to top the end of an afternoon.

Wednesday, 21 August 2024: Media Day

Media Day at The Pride felt like school photo day: fresh kits, new boots and a whole lot of smiles. Here's a glimpse behind the scenes as players rotated through their various media stations: interviews, player shoots and video

celebrations. It was a rare opportunity for me to roam through the stations and capture another side of day. The clubrooms were buzzing with excitement, players and staff both eager to welcome the new season.
